

The Recorder reported that the affidavit of the publisher showing publication of the Notice of Street Vacation in the issues of September 1, 8, 15 and 22, of the Elgin Recorder, was on file, and that the affidavit of the City Marshal showing posting of the Notices for the requisite time and in proper places was also on file.

This being the time and place heretofore fixed by the Council for hearing upon the petition of School District No. 23 for the vacation of a portion of "B" Street and any objections thereto, the Recorder reported that one objection and no others had been filed. On motion duly made, seconded and carried, the hearing heretofore set for this time, together with a consideration of the petition and the remonstrance thereto, was continued indefinitely but not later than the regular meeting of the Council on November 2, 1949. The Recorder was instructed to receive no further remonstrances or objections to the petition.
